

In compliance with state law, Community Regional Medical Center is providing this price list containing our charges for room and board, emergency department, operating room, delivery, physical therapy and other procedures. The hospital's charges are the same for all patients, but a patient's responsibility may vary, depending on payment plans negotiated with individual health insurers. Uninsured or underinsured patients should consult with our admitting and billing staff to determine whether they qualify for discounts.

These prices are correct as of January 1, 2009.

Hospital Billing Policies

Billing Information

Mercy Health Partners billing and collection policies are consistent with our mission and values. When you receive a bill from Mercy, it covers the services you received at one of our healthcare delivery facilities. You may receive separate bills from your personal physician, surgeon, pathologist or other healthcare professional.

To make a payment by telephone or to speak with a customer service representative, please call 419-251-4147 or 1-888-811-4147. You may do the following by telephone:

- Make a payment on your account using a credit card.*
- Request an itemized statement.*
- Provide insurance information.*
- Update your address and telephone number.*
- Obtain information on our financial assistance programs and more.*

If you have specific questions about your account, our Customer Service Representatives are available Monday through Friday, 8:30 a.m. to 12:30 p.m. and 1:30 p.m. to 4:20 p.m. Spanish speaking representatives are also available.

We repeatedly offer patients access to financial help during their hospital stay and after, as well as with each billing notice. We do not charge interest to patients on their bills. We send bills to collection as a last resort, only:

- When patients have the ability to pay some portion of their healthcare expenses but refuse to do so*
- When patients refuse to work with us to determine if they qualify for free or discounted care via federal, state, local or hospital ass*
- When we are unable to locate the patient or the person responsible for the bill*
