TBD	Sectional Championships	Faster than SECT	MON, 3/8

A NOTE ON SIGN-UP DEADLINES:

Our sign-up deadlines are based on a number of factors, including getting checks cut from the hospital to pay our fees on time and making sure we get our entries in early so as not to be closed out of meets. **OUR DEADLINES ARE FIRM.** If you miss a deadline, we will make every reasonable effort to get your child in the meet, but we cannot make any guarantees. This is always at the discretion of the host team. It is always easier to sign up for a meet and then scratch, than to not sign up and try to get in late.

Some deadlines are very early in the season—please be aware of them!!! If you are starting later in the season, you can still sign up for meets—for example, if you are going to start practice after soccer in October, and you want to swim in the November meet, you must still sign up by September 25. Do not miss a deadline or we cannot promise you will swim in the meet.

A NOTE ON MEET FEES:

We will be charging all meet fees to an account you have on file with the Plex. If you do not have an account on file, and we have to get a check from you to cover the fees, you must pay within one week of receiving notice of the amount or we will remove your swimmer(s) from the meet.
